- Proficient in building responsive and pixel perfect optimized web sites.
- Knowledge of git version control system.
- Working on GitHub and Knowledge of git Commands.
- Knowledge in Nodejs and MongoDB connectivity and crud operations.

Technical Skills

Web Technologies	:	HTML5, CSS3, SCSS, Bootstrap
Frameworks	:	Angular, Node.js, jQuery
Programming Languages	:	JavaScript, TypeScript
IDE	:	Notepad++, Visual Studio Code
Version Control System	:	GIT
Work Management Tool	:	GitHub
Operating Systems	:	Windows, MacOS
Database	:	MongoDB

Work Experience

- Worked as an **Angular Front-End Developer** in **VITA TECHNOLOGIES**, IT Tower, Karimnagar from **MARCH 2020-Present.**

Education

- Graduated in **Bachelor of Technology** from **Jyothishmathi Institute of Technology and Sciences** (JNTU-HYD), Karimnagar — with **Aggregate 72%.**

Project-1

Project Name: **Medical POS** - Angular

Description:

Medical POS is a latest version of medical software can be used by all medical shops and medical agencies. It is useful to Automate their daily tasks by adapting to the latest innovative software. It helps in Maintaining paperless workflow and instant automated reporting at a Budget-friendly Price. It is useful to Automate their daily tasks by adapting to the latest innovative software

Roles and Responsibilities:

➢ Implemented user interfaces using HTML5, CSS3, Bootstrap, Angular Materials and the Angular framework.

➢ Involved in optimization of the entire platform to get better performance.

➢ Designed and developed the application using Angular 13 framework along with HTML5, CSS3, Type Script, Java Script, Bootstrap, Angular Materials, Node.js, NPM, MongoDB.

➢ Implemented client-side User-friendly validations in forms using TypeScript.

➢ Worked on the REST/Web API to create the services and used in Angular HTTP service calls and bind data.

➢ Implemented CRUD Operations involved in the project on Admin Module

➢ Implemented with Nodejs crud operations using API's and MongoDB connectivity.

Project-2

Project Name: **Coconut Juice Bar**

Description:

Coconut Juice Bar is a Franchise of Coconut Juices, Thick shakes and Ice creams. In this Application Admin module developed for Employee Management like adding Employees and their salaries and timings etc and Products Management like adding products with all specifications involved in that. Manage sales, income and reports.

Roles And Responsibilities:

➢ Implemented Responsive UI and Template using HTML5, CSS3, SCSS, Bootstrap, Ng-Bootstrap, Hight charts, Data Tables, Ag-Grid Tables, Angular Materials and the Angular.

➢ Involved in Curd Operations for Employees Module and Products Module.

➢ Implemented sales reports, Income & Expenses.

➢ Worked on the REST/Web API to create the services and used in Angular HTTP service calls and bind data for above Application.

➢ Implemented with Nodejs crud operations using API's and MongoDB connectivity.

Project-3

Project Name: **College Management System**

Description:

The college management system is a comprehensive software application designed to efficiently manage and automate various administrative tasks and processes within a college or educational institution. It aims to streamline operations, enhance communication, and provide a centralized platform for students, faculty, and administrative staff to access and manage relevant information.

Roles And Responsibilities:

➢ Using Angular create the dashboard with the responsive design.
➢ Implemented validations in login forms using angular
➢ Implementing backend APIs in Angular using HTTP for employees and student login, listing the student data.
➢ Displaying the data in table format using angular material table.
➢ Working with the backend developers in the process of building the REST APIs.
➢ Fixed Bugs, Code optimization and debugging.

Personal Details:

✓ Full Name   :   Srikanth Yaswada
✓ Father Name   :   Shankara Chary
✓ Date of Birth   :   21-July-1994
✓ Nationality   :   Indian
✓ Languages   :   Telugu, English and Hindi
✓ Skills   :   Ms-office, Photoshop
✓ Strengths   :   Willingness to learn, good listener,
                             Hard worker, Self-directed,
                             Organizing skills with solid planning.

Declaration:

I hereby declare that all the above-mentioned information is true and correct to the best of my Knowledge and belief.

Place: KARIMNAGAR   (Srikanth Yaswada)
